

Format for 2022 Tour Season and INFR Qualifications:

#### Tour Rodeos

With Covid and new variants creating border uncertainties as well as event guarantees, the following will apply to 2022 Tour Rodeo events.

Moving forward Canada will be capped at 5 more Tour Rodeos with 2 more of them being Automatic Qualifiers. The US will be capped at 20 more Tour Rodeos with 11 being Automatic Qualifiers. (Canada has hosted 1 Automatic Qualifier and the US has hosted 1 Tour Rodeo already). This ratio is fair based on the number of members for the past 3 seasons:

<u>YEAR</u>	<u>CAN</u>	<u>USA</u>	<u>RATIO</u>
2018	438	2,152	20%
2019	253	1,372	18%
2021	153	1,158	13%

The following are tour application cut-off dates:

March 1st	\$500 application fee (full refund upon completion of rodeo)
April 1st	\$750 application fee (full refund upon completion of rodeo)
May 1st	\$1,000 application fee (full refund upon completion of rodeo)
June 1st	\$1,000 application fee (non-refundable)
July 1st	\$1,500 application fee (non-refundable)

After July 1st applications may not be approved based on schedule. There will be no Tour Rodeos approved with an event date after September 11, 2022.

INFR board will approve rodeos at our monthly meeting following each cut-off date. Similar to job applications.

#### Qualifications to the INFR

We will follow last years format with qualifications to the INFR. The breakdown will be as follows:

	<u>TIMED EVENTS</u>	<u>ROUGH STOCK</u>	
Automatic Qualifiers	14	14	(3 Canada, 11 USA)
Tour Qualifiers	12	6	
<u>Last Chance Qualifiers</u>	<u>6</u>	<u>4</u>	
TOTAL	32	24	

Numbers will be adjusted if we do not meet our goal of 14 Automatic Qualifiers.
