

Indian National Finals Rodeo

Format for 2023 INFR Tour Season and INFR Qualifications:

The INFR has elected to move forward with the 2023 season in a format like 2022 with a few adjustments. For the 2023 INFR Tour Rodeo season we will sanction a total of 16 Automatic Qualifiers (12 US and 4 Canada). These Automatic Qualifier Tour Rodeos will have a minimum purse of \$5,000+ per event. We will sanction regular Tour Rodeos with a purse of \$2,000+ as well. There will not be a limit on the number of regular Tour Rodeos sanctioned if they don't conflict with each other.

Tour Rodeo applications can be requested from the INFR office and will be considered for approval as they are submitted. May 1, 2023 will be the Tour Rodeo application cutoff date. Application fee is \$500 for returning 2022 INFR Tour Rodeos and \$1,000 for any new INFR Tour Rodeo. After May 1, 2023, applications will be considered based on schedule availability via board discretion. There will be no Tour Rodeos approved with an event date after September 17, 2023.

Contestant qualifications to the 2023 INFR:

	<u>TIMED EVENTS</u>	<u>ROUGH STOCK</u>	
Automatic Qualifiers*	16	16	(12 US, 4 Canada)
Tour Qualifiers	10	4	
Last Chance Qualifiers	6	4	
TOTAL	32	24	

*Numbers will be adjusted if we do not meet our goal of 16 Automatic Qualifiers. A tie at a Tour Automatic Qualifier will take away a spot from the Last Chance Qualifier. If a contestant has already won an Automatic Qualifier and wins another, the spot goes to the second place person and so on. The INFR may adjust this format if necessary.
