2023 INFR Last Chance Qualifier Ground Rules

General:

1. Any current member in good standing can enter the Last Chance Qualifier. Cards can still be purchased up until the entry deadline.
2. The top 5 in timed events that HAVE NOT YET qualified will qualify to the INFR.
3. Any ties for the last qualifying spot will be determined via a ride or rope off. If you leave prior to the tie breaker, your spot will be forfeited.
4. If Last Chance spots are not filled at the Last Chance Qualifier, those spots will remain vacant.
5. Competition rules will be based on INFR rulebook.
6. INFR fees must be paid, and paperwork completed immediately following the Last Chance Qualifier.

Timed Events:

1. The Last Chance Timed Event Qualifier will consist of two full rounds. The qualifiers to the INFR will be based on the aggregate standings after the completion of the two full rounds.
2. Barrel racing will be one full round only. The qualifiers to the INFR will be based on the one full round only. Barrels will be run in the practice arenas this year due to conflicts with events in the main arena. Pattern will be very similar to that used for the INFR. Rake after eight contestants.
3. Team Ropers qualify as a team and must enter with an eligible partner to qualify via the Last Chance. Therefore, your partner must not have already qualified for the 2023 INFR.
